### REDSTAR KENNELS HEALTH GUARANTEE

Puppies whelped at REDSTAR KENNELS carry a 26 Month HIP AND EYE GUARANTEE. This covers any genetic problem, which prevents the puppy from being certified by the Orthopedic Foundation for Animals (OFA), or the Canine Eye Registration Foundation, Inc. (CERF). It is impossible to state that a puppy will be completely free of genetic imperfection. In our breeding program, we only breed to dogs certified with an OFA rating of GOOD or EXCELLENT, and CERF rating of CLEAR. We try very hard to research the backgrounds of the sires and any litters they may have produced. Only then, when we are satisfied that these sires are sound, do we breed. We feel that by adhering to these standards, we are reducing the risk of producing a defective pup or litter. Therefore, we offer this guarantee, providing the purchaser complies with this agreement. OFA will only certify dogs who have reached 24-months of age; they also perform non-certified preliminary evaluations beginning at 6-months of age.

For this guarantee to be honored, the dog MUST be X-rayed and certified within two (2) months of reaching 24-months of age. You MUST have your puppy's eyes examined and certified by a Board Certified Canine Ophthalmologist at the time it reaches two (2) years of age. If a problem should arise before the dog reaches the required ages stated herein, you MUST have OFA evaluate the X-rays and send you a copy of their findings, or a copy of the CERF evaluation from a Board Certified Canine Ophthalmologist.

You MUST use the words REDSTAR in the dog's registered name (i.e Redstar's Whistlin' Dixie, Redstar's Ebony and Abby, etc.)

When the following requirements are met, this GUARANTEE will be in effect and honored by REDSTAR KENNELS.

1. A copy of the findings from OFA or CERF MUST be sent to us for our records.
2. THE DOG MUST NOT HAVE BEEN BRED OR SOLD.
3. A letter from your vet, identifying the microchip of the dog, and that it has been NEUTERED or SPAYED.
4. IF MICRO CHIPED, NUMBERS MUST APPEAR ON ALL DOCUMENTS OF CERTIFICATION

At this point, when we are satisfied that a problem does exist and the dog has been neutered and has not been bred or sold, we will either refund the purchase price of the pup, or provide you another pup of like or similar breeding (the choice will be made by you, the original purchaser). If the price of a replacement pup is greater than the original pup purchased, you must pay us the difference. You, the purchaser, will assume the expense of transportation of a replacement pup.

Thank you for purchasing one of our puppies!
